

SPECIFICATION SHEET

Full Body Cross Link Harness

PROUDCT CODE:
SBE9

DESCRIPTION:

Our full body cross-over harness. The SBE9 features sternal and dorsal D-ring attachment points for fall arrest, and the cross-over design incorporates a cross-over where the lower body and shoulder straps intersect for easy donning and doffing. Other features include webbing buckles on the chest and legs and high strength stitch patterns.

SIZING:

Range of sizes to fit from Small up to 5XL

STANDARD:

AS/NZS 1891.1:2007
