

ROOFERKIT

MULTI-PURPOSE HEIGHT SAFETY KIT

SKB101

An excellent kit for worker safety on general roofing jobs where a permanent safety line system is not in place. Includes 15m ropeline with adjuster. The Utility harness provides general purpose support with front and back attachment points. Suitable for general tradesmen, construction workers, roofing, vertical climbing and access equipment.

Includes the ZERO Utility Harness (Z-30).

RATING: 136kg (Max user weight)
